

The Recreational UAS Safety Test (TRUST) Completion Certificate

Name:

Satoru Uchida

Authentication Token:

CCAC88278396728

Issued by:

CCAC Workforce Development on Jan. 12, 2025

For Recreational Flyers operating under the exception for limited recreational operations of unmanned aircraft (Title 49 of the United States Code (49 U.S.C.) § 44809), this document is evidence that the holder has passed the aeronautical knowledge and safety test as required by 49 U.S.C. § 44809(a)(7).

- Register your drone if it weighs more than 0.55 pounds
- Fly only for recreational purposes
- Operate in accordance with or within a Community-Based Organization's (CBO's) safety guidelines
- Always fly within visual line of sight
- Do not interfere and give way to any manned aircraft
- Obtain authorization before flying in controlled airspace
- Do not fly higher than 400 feet in uncontrolled airspace

Recreational Flyers must carry this certificate with them at all times and show it to Federal Aviation Administration (FAA) and Law Enforcement officials upon request.
